

**Manchester Gold Racquet 2006**  
**Revised Singles Draw**  
**(The Gold Racquet)**

1. The draw is not formally seeded but is intended broadly to reflect the information presently available to the organiser as to the current relative standing of the players.
2. All matches will be best of three games, except for the final which will be best of five.
3. So far as practicable, all first and second round singles matches will be played on Friday. The semi-finals will take place on Saturday; and the final is scheduled for 11.00 a.m. on Sunday.
4. All losers in the first and second rounds will be entered into a singles plate competition. So far as practicable, all plate singles matches except for the final will take place on Saturday, with the final scheduled for 10.a.m on Sunday. It is intended that all plate singles matches will be best of three games, but the organiser reserves the right to alter the format to, say, a single 25 point match if time constraints so require.
